

INBEAUTE
Head Therapy

Relaxing from
the first encounter
onwards.

The concept focuses on a therapist's* hand techniques.

Up & down movements
that stimulate the scalp
from various directions.

INBEAUTE Head Therapy envelops and stimulates the scalp with gentle up and down movements. Like a professional's touch, the device guides you to comfort and relax by applying pleasant pressure.

*Scalp care specialist

Head Therapy

A multi-sided design calculated
to envelop the entire head.

Featuring piano wires to fit along the curved surface of the head.

Two lengths of wire--short and long--for covering the head.

Rounded tips to handle your delicate scalp.

Gentle pressure to relax
your scalp as well as your mind.

It is said that "your heart is connected to your mind", and that by touching your head you can comfort your heart. By applying gentle pressure to your head, you can help relieve your mind of the everyday pressures of work and life.

For people
who are busy at work
and home

For people
who spend long hours
on the PC

For people
who stay up late
