

**PLOSION**  
*de Salon*  
**BODY ESSENTIAL LOTION**

## Tightens your skin to create a beautiful, toned body.

A refreshing and easy to use body lotion for a variety of body concerns.

With a lush texture and a refreshing scent that spreads subtly. Massaging your body with the lotion promotes blood circulation, and the luxurious combination of moisturizing ingredients\* smooths and tones your skin to make it supple, moist and beautiful.

\*hyaluronic acid, collagen

[Standard Use] Apply a half-dollar size dollop by hand, morning and night for approximately 1 month.

Apply a 10-second spray with the carbonated mist unit, morning and night for approximately 1 month.

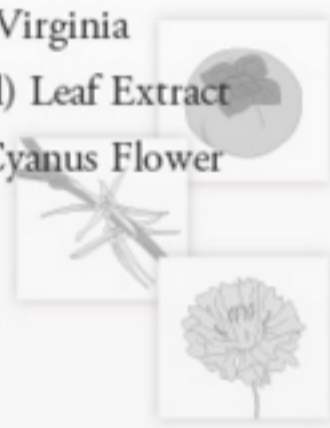

## Plant vitality for tightening & smoothing skin

Featuring a selection of plant extracts for gently taking care of those body areas that concern you. Let the lotion help you achieve smooth, toned skin.
