

The Carbonated Beauty Solution

PLOSION

de Salon

for Professional

From PLOSION high concentration carbonated beauty care comes a unit and lotion specifically designed for salons.

In response to popular demand, we developed a professional use carbonated mist unit with a large-size oxygen tank. Two handpieces are equipped on the sides of the main unit for effective handling, together with casters for easy movement. Both the color and design are intended for smart and stylish operations. The unit is for use with our professional use lotion.
